Advt. No: IIITS/Recruitment/Visiting Faculty/2025/04/01, Dated: 3 April, 2025

Rolling Advertisement
for Empanelment of Full Time Visiting Faculty
(Asst. Professor and Assoc. Professor levels)

Note: Full-Time Visiting Faculty positions (different levels) are available for a 3-year term period. This position is open for faculty members/industry experts/ researchers for teaching and research activities.

Indian Institute of Information Technology Sri City Chittoor (IIITS) was established by the Government of India as an *Institute of National Importance under the Act of Parliament* in PPP model along with Government of Andhra Pradesh and Industry Partner: Sricity Foundation.

Sri City (**www.sricity.in**) is located about 60 KMs north of Chennai on the Nellore highway. Sri City is spread over 8000 acres encompassing a multi-product Special Economic Zone (SEZ), Domestic Tariff Zone (DTZ), Free Trade & Warehousing Zone (FTWZ) and Electronics Manufacturing Cluster. Sri City is hosting about 200 manufacturing companies from 30 countries. Sri City hosts MNCs from Japan, China, Korea, UK, Netherlands etc. *IIITS is located alongside Sri City industrial town. The institute has access to the industries and social infrastructure available in Sri City through the Industry Partners.*

Established in 2013, IIITS has emerged as one of the top institutes among its peers due to academic and research advancements. The institute presently offers **BTech** programmes in three disciplines- Computer Science and Engineering (CSE), Artificial Intelligence & Data Science (AI & DS) and Electronics and Communication Engineering (ECE). With a view to provide skilled engineers, the IIIT Sri City is offering **BTech specializations** in *AI & Machine Learning*, *Cyber Security and Data Science* under CSE programme. ECE programme offers specializations in *Cyber Physical Systems and NextGen Wireless Communication*. IIIT Sri City has significant focus on *UG-research*, sponsored projects and scholarly research.

Importantly, IIITS offers **MS(R) and PhD** programmes in CSE and ECE. The institute also offers a unique Part-Time PhD programme for IT industry personnel and Scientists who work in Government of India Research labs such as DRDO, ISRO, etc. Explore: www.iiits.ac.in for details on Location, Academics, Research, Innovation & TBI, etc.

IIIT Sri City aspires to be a *skill-based Research Oriented Institute of Excellence in* different aspects of Electronics, Communication, Computer Science, Mathematics and other state-of-the-art areas of Information Technology. The institute has a special thrust to attract and retain talented faculty members who can make mark excellence in teaching and research at the international level. The current team of faculty members at IIIT Sri City is from leading Universities from India and abroad with excellent teaching and research credentials. To know more about our current faculty, please visit: www.iiits.ac.in/people/regular-faculty/

The following areas (not limited to) for which the Visiting Faculty required are:

1. AIML/Deep Learning
2. Computer Architecture
3. Computer and Communication Networks
4. Cyber Security
5. Data Science/Data Analytics
6. Internet of Things (IoT)
7. Robotics
8. Engineering Mathematics and Statistics

Essential Qualification Criteria:

Candidates should hold UG and PG degrees in relevant or equivalent disciplines and have a PhD in relevant or equivalent disciplines from leading recognized universities with consistently excellent academic records. Preference will be given to those who have completed their PhD or Postdoctoral experiences at reputed overseas universities or at CFTIs such as IISc, top IITs, top NITs, or IIITs, and who demonstrate high potential for quality teaching and research. Candidates who have submitted PhD Thesis are also eligible and encouraged to apply.

Duties and Responsibilities:

Full Time Visiting Faculty is an on-campus position, the faculty is supposed to be present at IIIT Sri City.

(a) **Teaching**: A Full Time visiting faculty member is required to teach subjects at the levels of undergraduate and/or graduate studies.

(b) **Research**: A Full Time visiting faculty member is desired to publish in peer-reviewed and reputed journals and/or internationally recognized conference proceedings and/or is anticipated to obtain research / consultancy projects from external funding agencies.

(c) **Services**: A Full Time visiting faculty member is desired for the following services in the Institute:

(i) Active participation in the development and/or renovation of teaching / research laboratories.

(ii) Active participation in designing and developing new and relevant postgraduate and/or under-graduate courses.

(iii) Active participation in the promotion of teaching and research activities in the Institute by organizing and/or being an active member of committee to organize Continuing Education Programme (CEP) / Conferences / Workshops / Seminars / Symposiums / Academy-Industry Interaction / Open Day, etc.

(iv) Based on the need, a visiting faculty member is expected to be actively involved in various administrative duties for the continuous development of the Institute.

Leave Policy:
1. CL (as per Institute norms, i.e., 12 per year)
2. Vacation (30 days per year)

Appointment and Benefits: The Visiting Faculty is a full time 3 year appointment. Compensation will be best-in-the-industry and in accordance with Institute norms. Appointment will be made through a Standing/Selection Committee. Interested candidates are encouraged to email careers.faculty@iiits.in. for more information.
